

Scheduling & Billing Policies - Effective July 1, 2018

At Acton Critter Sitters, we make every effort to keep our costs down and to be as flexible as possible with scheduling requests and changes. At the same time, to maintain a viable business, we need to cover our costs, pay our bills on time, and ensure some stability and predictability for our staff.

As of July 1, 2018, the following policies take effect:

Cancellations

Except during inclement weather,

- 🐾 Services scheduled for 7 – 9 AM on a given day must be cancelled by 10 PM the *previous* day to avoid being billed full rate for that service.
- 🐾 Services cancelled after 9 AM on the day service is scheduled will be billed at the full rate.

Same-Day Service Requests

While we make every effort to honor same-day requests, service is subject to staff availability and scheduling constraints, and cannot be guaranteed. Please plan ahead whenever possible.

- 🐾 **Same-day service requests or changes should be made by texting or calling our mobile number: 978-674-9604.** As we are out often out with clients, requests made through email, the portal, or calls to our office may not reach us in time to honor your requests.
- 🐾 Same-day service requests will incur an additional \$5 service fee, which covers the costs of revising established schedules and efforts to reach sitters who are out on the road.
- 🐾 Same-day services should not be considered scheduled until you receive a confirmation.

Late Payments

As a small company, we rely on on-time payments to compensate our staff and pay our bills. Invoice payments are due upon receipt, however, we do allow a 28-day grace period as a courtesy.

- 🐾 Any and all bills over 60 days past due will incur a 5% interest charge, per month, cumulative.
- 🐾 Customers over 90 days past due will have their service suspended until their account is paid in full.
